

Job Posting 09-2021 Road Grader/ Equipment Operator

If you're still enthusiastic about building things, come be part of our team. We're looking for someone who can grow with us, someone who stretches themselves and takes on new responsibilities. You might start out as a heavy equipment operator, but you could end up being the lead or move into other areas of our construction business. The biggest requirements we have are a willingness to learn and to be a part of a team. We'll throw in the part where you get paid to play in the dirt again.

Job Responsibilities

- Operate equipment to avoid utility lines, equipment, and other workers
- Adjust hand-wheels and pedals to control blade and bucket attachments, as well as scrapers and swing booms
- Coordinate machine actions to move and position loads; learn and follow both hand and audio signals from other crew members and know how to give signals to others
- Operate a variety of heavy equipment such as graders, trucks, power cranes and shovels to move rocks, dirt, and other materials
- Operate snowplows and other equipment to remove debris and snow from roads and parking lots; operate loaders to rip asphalt, remove stumps, rough-grade land, bury refuse and perform general cleanup tasks
- Choose bulldozer blades and other attachments and connect them to tractors using hitches; connect hydraulic hoses, mechanical links, belts and more, including power takeoff shafts, with tractors
- Conduct daily safety/maintenance inspections of the vehicle/equipment at the end of the shift and report any problems or damage to management immediately.
- Inspecting vehicles for mechanical items and safety issues and perform preventative maintenance.
- Must practice workplace safety, by complying with all DOT truck driving rules and regulations (size, weight, route designations, parking, and break periods) as well as in-house company policies and procedures
- Frequently requires a full range of body motion with intermittent walking, lifting, bending, squatting, kneeling, twisting, and standing. The associate will be required to be on feet for up to one hour.
- Frequently exerts maximum muscle force to lift, push, pull or carry objects of at least 50lbs. Occasionally required to use very heavy force of all above mentioned of over 100lbs.

Job Skills and Qualifications

Required:

High School Diploma or GED, Valid CDL Driver's License. Class A with no air brake restrictions. Always follow FMCRS regulations. OSHA 10-hour course certification.

Pay: \$15.00 per hour

Employee contributed pension plan (CERF)

Benefits to include paid time off and Medical

Job Type: Full Time

- 10 Hour Shifts, Monday – Thursday
- Must successfully complete pre-employment substance abuse testing and post offer employment physical.
- Will be subject to random substance abuse testing.

- Will be subject to e-verification and background check.

Work Location: McDonald County.

We are an Equal Opportunity Employer, and all are encouraged to apply. If you are interested in the position, send resume by mail, or apply in person at the County Clerk's Office at the new Courthouse Annex: Attn: Road & Bridge Supervisor, McDonald County Clerk, 502 Main Street/PO Box 665, Pineville, Missouri 64856. For pre-application questions regarding this position, you are encouraged to call the McDonald County Road Barn at 417-658-3191.
