**DECEMBER 23, 2009**

The McDonald County Commission met with Presiding Commissioner, Larry Jones, Eastern Commissioner, Sam Gaskill & Western Commissioner, Ronald G. Walker present.

## **APPROVE BILLS AND SIGN CHECKS**

Commission approved bills and signed checks in the amount of \$428500.71; total for all funds.

## **GENERAL BUSINESS**

Commission conducted General Business of the County.

Bob Corcoran, County Planner/Floodplain Administrator & Census Director, met with Commission to update them on the wastewater cleanout system Mr. Corcoran designed & had installed at the jail. The system will catch anything that would normally stop up the system & cause problems for the Pineville wastewater system. The complete system cost less than \$3,000 & saved the county several thousand dollars. Commission expressed appreciation for Mr. Corcoran's ingenuity & saving the county money.

Mr. Corcoran also discussed his progress in the census. He has contacted business & schools to insure their response to the census inquiries. The Commission will continue to encourage each resident to respond & be counted since that will reap the benefit of increased state funding.

Commission also met with Jerry Mullins to discuss several road issues & the county's preparation for bad weather & the problems that could arise in clearing roads.

Commission reviewed the 2010 holiday schedule. The Courthouse adheres to the same schedule as the state offices. A copy of the holiday schedule is attached to these minutes.

Commission & County Clerk, Barbara Williams worked on several county budgets for 2010.
