

# McDonald County Commission Minutes

**JANUARY 4, 2010**

The McDonald County Commission met with Presiding Commissioner, Larry Jones, Eastern Commissioner, Sam Gaskill & Western Commissioner, Ronald G. Walker absent due to weather & road conditions.

## **GENERAL BUSINESS**

Commission conducted General Business of the County.

Jerry Mullins, County Road Foreman, met with Commission to discuss road work that was done on Sunday, due to the weather conditions. Twelve road & bridge workers were called out to help clear the most heavily traveled roads. Also discussed was the road salt supply & the ordering of more salt to continue maintenance for the season & an emergency purchase of a spreader for the county pickup. Placing a spreader on the smaller vehicle will allow more access to county roads that are not wide enough to allow larger equipment. Commission will continue to maintain enough salt & equipment to attempt to keep the main county roads open.

Bob Corcoran updated the Commission on the floodplain issues & the progress on the census.

## **ADJOURN**

Ordered that the Commission adjourn until 1/6/10.
