

McDonald County Commission Minutes

APRIL 28, 2010

The McDonald County Commission met with Presiding Commissioner, Larry Jones, Eastern Commissioner, Sam Gaskill & Western Commissioner, Ronald G. Walker present.

GENERAL BUSINESS

Commission conducted General Business of the County.

Commission discussed the recent meeting they had attended for the Missouri Transportation Alliance. The information was concerning planned improvements on state roads.

Representatives of Great River Engineering, Jason Sivils & Spencer Jones, met with the Commission & several people who are involved with the Powell Historical Preservation Society, concerning the Powell Bridge project. The project has been slowly coming together & the work is continuing. The project is in the hands of the engineering company & will have approximately another month until the plans are submitted to MODOT. The project is progressing & will be an asset to the county when it is completed. The engineers complimented the Society for their work in keeping the project viable & the Commission for their part in seeing that the project is possible with no direct cash funding from the county funds.

Commission discuss their recent decision to have all Jail & Law Enforcement Officers tested for TB at the county's expense. The testing will be done by the County Health Department.

Commission reviewed the latest receipt for funds for the Emergency management Performance Grant Reimbursement. The amount was \$5,037.12
