### GENERAL BUSINESS

MOPERM Insurance Representatives Jenny Morrison & Carmen Bearden met with the Commission & County Clerk Williams to review the county's coverage.

Williams Gandart met with the Commission to request maintenance on Rockwood Rd. Commission agreed to look into the complaints.

A letter from the Sheriff informed the Commission that only 2 of the 6 toilets in the inmate part of the jail are working & that he would hate to have to farm out the inmates. Commission responded in writing that they will continue to research the needed equipment & will place out for bid the equipment & the labor to have them installed since it seems the existing equipment is too old to find parts to repair them.

Several complaints were received concerning thistles throughout the county. 4 Letters of concern were sent to property owners. Anyone wanting information on how to eradicate thistles can contact the Commission, County Clerk, or Extension office.
