Present:

Sam Gaskill- Eastern Commissioner

Ronald G. Walker- Western Commissioner

Barbara Williams- County Clerk

GENERAL BUSINESS

Commission approved bills and signed checks in the amount of \$343,309.63; total for all funds including payroll.

Commission held an open meeting with Great River Engineering Representative, Spencer Jones & several members of the Powel Historical Preservation Society. Mr. Jones updated all those present with the good news that the project will continue to move forward. Although the progress has been very slow it has not been held up due to the Preservation Society efforts to save the old bridge, but because of extra work that was required by MODOT. Now the bids are almost ready to go out & if all goes well the ground breaking could be as early as March 2013. The meeting was very interesting for all who attended & all questions were covered.

Mike Cramer, Colonial Life Representative met with Commission to discuss possible options for employees insurance.

Commission assisted in installing the new flagpole & flag in front of the courthouse.

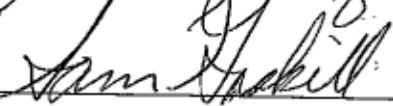

ADJOURN

Commission will reconvene on October 29th, 2012
