GENERAL BUSINESS

Commission approved and signed payroll/accounts payable checks in the amount of \$429,729.79. 10:30am Commissioners had a water line construction meeting for Crowder College project in Jane, Mo. Those present were David Pikey; Dewey Algood with Jane Water Dept; Tony Murawski with Branco; Chris Slinkard with Crowder; Vernon Keene with Public Water District #1; & all three Commissioners.

At the meeting, it was agreed because of rock formation, the best alternative was to make a cut across College Road to tie into a 10" water main, rather than bore under the road.

Commissioners returned to general business remainder of the day.
