## McDonald County Commission—Minutes

March 5, 2014

Keith Lindquist- Presiding Commissioner

John Bunch- Eastern Commissioner

David Holloway- Western Commissioner

Barbara Williams- County Clerk

### General Business

Gregg Sweeten, Emergency Management Director met with Commission to discuss plans for FEMA assistance for possible bridge improvements in the County.

Sheriff Hall met with Commission to discuss recent road conditions. Commission stated that the road crews were working as fast as possible hitting the most traveled roads first then working towards the less traveled roads.

Commissioner Lindquist noted it was 10:00am and it was time to open the tire bids: 5 bids were received: J&D Tires out of Noel, Mo; Ozarko Tires of Joplin; Ozarko Tires of West Plains, Mo; Wingfoot of Springdale, Ar; & Allied Tires of Joplin, Mo.

Commission reviewed all bids & Eastern Commissioner Bunch made the motion to reserve the bids for further review. Motion was second by Western Commissioner Holloway.

At 10:30am Commissioner Lindquist opened the bids received for the culvert bid. Two bids were received Viebrock out of Sedalia, Mo & Metal Culverts of Jefferson City, Mo.

Commission reviewed all bids & Eastern Commissioner Bunch made the motion to table the bids for further review. Motion was second by Western Commissioner Holloway. Motions passed.

On other business, Commission discussed possible planning of new signs, provided by 911, to help identify county roads and their maintenance schedule by the road department.

1:05pm After further review, Western Commissioner Holloway made the motion to accept Viebrock's Bid for corrugated pipe & bands. Second was made by Presiding Commissioner Lindquist. Vote was unanimously in favor. Motion Passed.

1:30pm Presiding Commissioner Lindquist dismissed himself to attend a meeting with Gregg Sweeten, Floodplain Director; FEMA Representatives; & Anderson Engineering Inc. at the Mill Creek Bridge site.

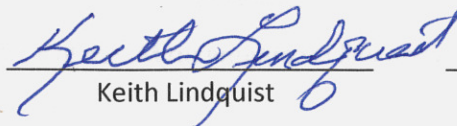

Later in the day, Jason Eckhart with Anderson Engineering, Inc. also met with Commission to give them the same information on hydraulics around the Mill Creek Bridge site.

### ADJOURN
