## General Business

Commission approved bills & signed checks in the amount of \$91,409.53 total for all funds.

Commission reviewed news concerning the SWEPCO lines that were attempting to cross lower McDonald County. The decision to halt the project until further research was done was very good news since the Commission & many concerned citizens had registered their concerns with the state. The future of the project will be closely watched.

Paige Behm, Health Dept. Administrator, met with the Commission to invite them to the Livable Streets Advocacy Workshop on June 16th from 6 - 8:30 at the Community Center in Pineville. Several Guest speakers will make it very interesting & hopefully will inform people on ways to make our streets safer. The public is welcome to attend
