McDonald County Commission—Minutes

July 13, 2015

Present:

John Bunch - Eastern Commissioner
David Holloway- Western Commissioner
Keith Lindquist- Presiding Commissioner

Kimberly Bell - County Clerk

General Business

Jay Pearson, Advanced Drainage Systems, met with the Commission to discuss future bids on culverts.

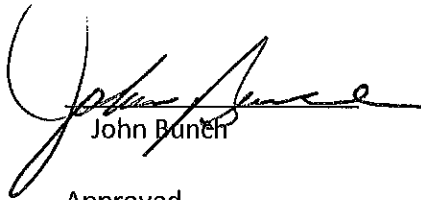

The Commission met with Jerry Mullins, Road and Bridge Foreman. With the recent flooding, many McDonald County citizens were calling in damage to county roads and bridges and clogged culverts. Jerry stated his road crew had worked through the weekend and would continue to do what it takes to repair the flood damage.

Rhonda Reyes met with the Commission to warn the Road and Bridge foreman of an exposed water line before the flood damage was repaired.

ADJOURN

Commission will reconvene on July 15, 2015
