Jerry Mullins, Road and Bridge foreman, discussed the County Road and Bridge department and which county roads are to be maintained. The color code system was reiterated. Blue road signs with no brown or green sticker, WILL NOT be maintained by the county. Blue road signs with a brown sticker will be maintained on a regular cycle. Blue road signs with a green sticker will be maintained only periodically throughout the year. This color code system is used for graded roads only and will not be used for hard surfaced roads in the county. After some discussion, Presiding Commissioner Keith Lindquist, made a motion stating McDonald County WILL NOT cross cattle guards to provide road maintenance nor will the county grade private drives. Eastern Commissioner John Bunch seconded the motion. Motion passed.
