John Bunch - Eastern Commissioner

David Holloway- Western Commissioner

Kimberly Bell - County Clerk

### General Business

Beverly Bartley, I'm Your Huckleberry Rescue, met with the Commission regarding Animal Control ordinances in McDonald County. Commission told Mrs. Bartley the county does not have its own ordinances for Animal Control; it follows state statutes on animal control. She asked the Commission to pass an ordinance that all dogs will be spayed or neutered, except licensed breeders, or a fine would be assessed. Commission stated they would not promote adoption of such an ordinance. Mrs. Bartley was given a copy of Missouri State Statute 270.010 and 2 CSR 30-2.

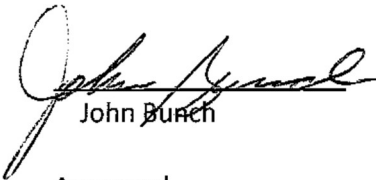

Commission, along with Road Foreman Jerry Mullin, checked Acorn Road area because of complaints of waste runoff onto neighboring properties from Bub's Inc. Property owners concerns are also contamination of their shallow wells. Commission also inspected Pump Station Road, Langley Road, Klondike Road, Buffalo Creek Road, May Road, Charleston Road and Temperance Valley for future bridge and low water crossing projects. While traveling roads the Commission stopped and inspected thistles they saw. All thistles they checked had weevils.

Commission contacted Kevin Hess, Missouri Department of Natural Resources, to give details they observed while following up on complaints regarding Bub's Inc. Mr. Hess put the Commission in contact with Brooks McNeill.
