Rick Lett - Western Commissioner

### General Business

Commission signed and approved accounts payable in the amount \$479,538.62.

Nate Ledgerwood and Terry Welch, Tri-State Truck Center, met with the Commission. The two-year equipment lease the county currently has with Tri-State Truck Center on three dump trucks for Road and Bridge will come due later this year. In order to have no down time and continue with the lease program, the Commission will need to decide soon whether to continue in the lease program or buy the dump trucks outright. The Commission will look over the program and discuss further during the next regular meeting, March 31, 2021.

Commission conducted general business of the county.
