### General Business

Newton County Commission did not meet with the McDonald County Commission. This was mistakenly added to the agenda.

Commission received a request from Sheriff Evenson to transfer funds from the Extradition and Transportation fund to bring L.E.T - P.O.S.T fund to a zero balance. Commissioner Lant made a motion to issue a Court Order to Treasurer Sheila Fuller, to transfer \$2,022.23 from Extradition and Transportation fund to L.E.T.-P.O.S.T fund. Commissioner Cope seconded the motion. Motion passed with unanimous vote.

Aaron Gent, McDonald County Internet, stopped by to remind the Commission about a broad band meeting on December 2, 2021 in Neosho.

Brian Hall met with the Commission to voice concerns he had heard regarding an abandoned trailer at the junction of Temperance Valley and Beemon Hollow Road. Commission told Mr. Hall they had been working with the McDonald County Prosecuting Attorney's office in contacting the owner of the trailer and seeking a reasonable method to have the trailer moved off county property.

Commission drove to the junction of Temperance Valley and Beemon Hollow Road to look at the trailer in question. The metal from the trailer had been removed and it was nearly in pieces. Owners could not be contacted after several attempts by the Prosecuting Attorney. Commission will have the trailer removed from the junction and seek reimbursement from the owner.

Commission conducted general business of the county.
