General Business

Commission signed and approved accounts payable in the amount \$500,115.62.

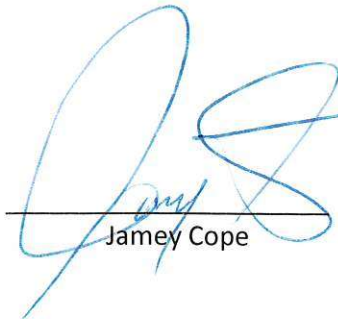

Representatives from PC Net, Shawn Latimer and Jack Sinor, met with the Commission to continue discussions from the meeting on July 27th. Also in attendance were Treasurer Sheila Fuller, Public Administrator Tonya Garvin, Assessor Sue Ann Stokes, Collector Jennifer Weber, and Bryan Hall. Mr. Latimer gave information about the IT services PC Net could offer McDonald County. He also stated the county would be best off by having all county offices using the same IT services with one company and it would not be in the best interest of the county to split services between different IT companies. Mr. Sinor stated PC Net would not be much different in pricing than what the county has with Stronghold Data. No motions or votes were taken.

Commission conducted general business of the county.
