McDonald County Commission—Minutes

August 31st, 2022

Present:

Bill Lant - Presiding Commissioner
Jamey Cope - Eastern Commissioner
Rick Lett - Western Commissioner
Kimberly Bell - County Clerk

General Business

John Newby and Scott Dennis, McDonald County Chamber of Commerce, met with the Commission to discuss the University of Missouri Extension building. Commissioner Lett stated he was not sure the building is owned by the county. Commission will do some research on whether the county or the historical society owns the building. Scott Dennis asked if the county has any data, showing statistics on Sales Tax Revenue the county receives. This information would help to educate McDonald County citizens on why it is important to "Buy Local."

Joe and Crystal Mathis met with the Commission to report unprofessional behavior from a county employee. Commission apologized for the way they felt they had been treated. Commissioner Lett stated they would need to talk to the office holder over the employee.

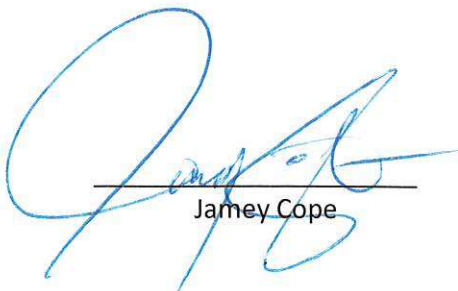

Harold Hooper and Stephen Lynn, Stribling Equipment, met with the Commission to discuss trading in a Road & Bridge grader for another. Commission were interested but would like a demo. Stribling will look at the trade in grader and come back September 7th.

Commission conducted general business of the county.
