Ty Anderson, Todd Phillips, and Patsy Phillips met with the Commission to voice concerns about keeping Caler Road open. Presiding Commissioner Hall explained there were signed petitions from citizens to keep the road open, and by statute the Commission had to keep Caler Road open. The concerned citizens asked what could be done to the road to make it more acceptable for driving. They were concerned about whether first responders and ambulance services could make it down the road in an emergency situation. Patsy also stated there is a tree down in the road. Commission said they would get with Jerry Mullin, Road and Bridge Foreman, to discuss the concerns.

Bill Lant met with the Commission to discuss the proper procedure for putting something on the ballot.
