General Business

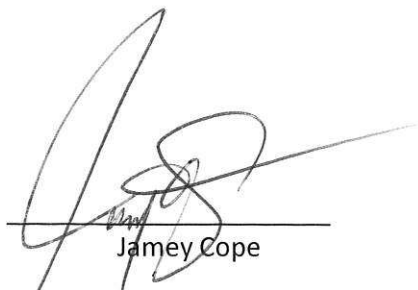

Commission signed and approved accounts payable in the amount of \$522,630.64.

Jason Sivils, Great River Engineering, met with the Commission regarding BRO project opportunities for McDonald County. Mr. Sivils stated that the county has four projects that qualify for BRO: Rains Road, Woodchuck Road, Fry Road, and Hagee Road. After some more discussion, Presiding Commissioner Hall made a motion to authorize Great River Engineering to complete the BRO applications on behalf of the county. Seconded by Eastern Commissioner Cope. Motion passed by majority vote.
