McDonald County Commission—Minutes

October 29th, 2025

Present:

Bryan Hall - Presiding Commissioner

Jamey Cope - Eastern Commissioner

Jessica Cole - County Clerk

Absent:

Rick Lett - Western Commissioner

General Business

Joe Overfelt with Caterpillar visited with the Commissioners to review the new grader they have added to their fleet with the trade in of an old grader total purchase price to be financed minus the trade in \$321,128.20.

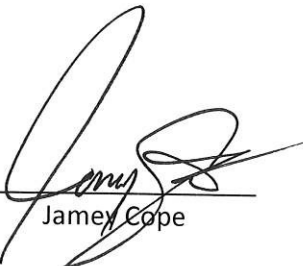

Commissioners will be reviewing their finances to pay off the first grader they purchased back in 2024. This will be the third new grader they have added to the Road and Bridge in efforts to continue providing better services for the County infrastructure.

Later, Mr. Reggie Darnell came in to discuss his property assessment value. He feels he is being assessed much higher than his nearby property owners. Commissioners addressed his concerns and directed him to attempt to resolve his assessment value with the Assessor who sets the values on properties within McDonald County. Should he not come to an agreement the period to appeal his assessment values would open up in June/July of 2026 during the Board of Equalization. Commissioners also advised him to grab an application to receive the Senior Tax Credit that will be available to all eligible seniors age 62 or older by January 1, 2026. Clerk Cole handed him an application and instructed him how to collect his required documents to return by next year.

ADJOURN

Commission will reconvene on November 3rd, 2025
