

# 11-17-2025 Minutes

## McDonald County Commission—Minutes

November 17th, 2025

Present:

Bryan Hall - Presiding Commissioner

Jamey Cope - Eastern Commissioner

Rick Lett - Western Commissioner

Jessica Cole - County Clerk

### General Business

Stronghold Data stated in the last four years there has been no increase to McDonald County services with them. If McDonald County saw increases it was due to implementing new departments to their service teams. After more discussion led by Avion Bryant representative for Stronghold Data McDonald County will see a slight service increase at \$100/Month Per Department, Bryan Hall moved to approve the slight increase with Stronghold Data realizing the cost increase is necessary to protect cyber risk assessments. Western Commissioner second the motion. All were in favor. Motion approved.

Stronghold Data will be implementing new security measures to the services they already provide to departments currently being managed by them. Clerk Cole stated they will need to do a cyber security assessment in February in order to properly weigh the risks when seeking Cyber Security Liability Protection.

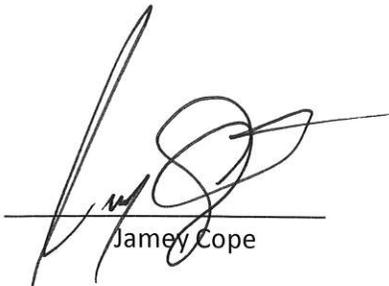

At 9:17am Eastern Commissioner Cope moved to close the open session and enter into an immediate Closed session per executive vote supported by RsMo 610.021.3. 10:21am Western Commissioner Lett moved to close the closed session and re-open to Open session. The motion passed unanimously.

Later that morning, Commissioners went and did a walk-through of the completed Foundation repair project at the Collectors building.
