General Business

Presiding Commissioner Hall was absent while attending the annual Missouri Association of Counties (MAC) Conference at the Lake of the Ozarks. Commissioner Hall notified the County Commissioners that they need to address Senate Bill 3, which mandates that counties place specific language on the April 2026 ballot. However, the legislation is currently being challenged in court regarding its validity.

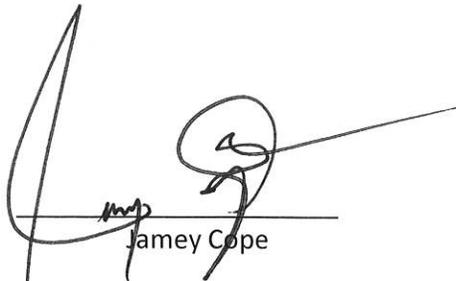

Later that morning, the Pre-Trial Administrator met with the Commissioners to discuss the delay in reimbursements due back to the County for the services her office provides to the Circuit Courts. Commissioners Cope and Lett conducted site reviews of Canning Factory Road, Happy Hollow Road, and Hobbs Road.

The Commissioners then continued with general County business.
