At 8:30 a.m., the Commission met with Frank Miller, a representative of MoDOT, and Tim Cochlen, Planning Director for Benton County. Mr. Cochlen is developing Benton County's 2050 Economic Development Plan and anticipates that growth will begin affecting McDonald County within the next five years. He invited Mr. Miller to participate in open discussions about creating a plan to improve roadway connections between Missouri and Arkansas and to support the expansion of bike path links to Northwest Arkansas, where trail networks have grown significantly along the Arkansas–Missouri border. Grant applications and requests are currently underway through the City of Pineville to pursue funding for bike trail connections.
