General Business

Commissioners had Department Meetings with Maleia Cheney, Prosecuting Attorney; Tanya Lewis, Circuit Court, Tyler Hopkins, Juvenile Department; and Mike Hall, Health Department, and Sheriff Evenson for their budget expenditure requests.

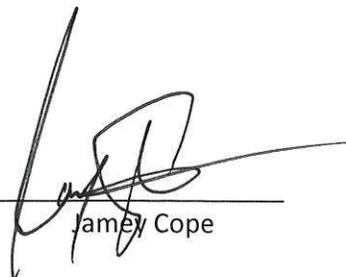

Collector, Jennifer Weber met with the Commission regarding the large impact the change with the United States Postal Service postmarking mail has caused in their office. Collector Weber wanted to inform the Commission that her hands are tied to follow the law (RsMo. 139.100) that orders her office to list any tax payments received after January 1st to be marked as late and returned. There will be a lot of back lash from the County Residents that this affects however she has to follow the regulations set forth by Missouri Law. Commission understood and wrote down the statute to reference if they receive questions regarding the matter.

In accordance with RsMo 52.317.1 Commissioner Hall moved to issue a Court Order to Treasurer Fuller to transfer \$23,486.11 from Collectors Tax Maintenance Fund into the General Revenue Fund. Commissioner Lett second the motion. All were in favor. Motion carried.
