General Business

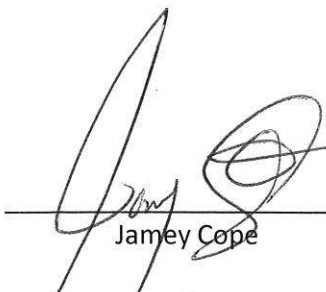

Concerned residents came in to discuss the concern arising from the unregulated use of a substance known as 7-OH also known as Kratom. The concern was this substance has severe side effects and may be connected to recent deaths. Commissioners heard their valid concerns and stated they would look further into the issue by reaching out to State officials who may be better informed in this substance. Those present were: Sauncie Turn , Shyanna Bobacher , Misty Shafer , and Alexis Ives. Captain Allison was present during the meeting and shared their experiences in Law Enforcement regarding the serious issues with 7-OH.

Commissioners traveled to Shady Beach for an onsite visit addressing resident concerns.
