General Business

Commission signed and approved accounts payable in the amount \$ 140,067.92.

Commissioners reviewed the financial status of the Law and Road & Bridge funds following the County Treasurer's direct deposit of August County Use Tax (501) sales tax distributions into the C3 Road & Bridge Fund and Law Enforcement Fund. Additional CO-REV 26 (300) sales tax distributions are also scheduled for Law Enforcement. The Treasurer's current assets report showed the Law Fund remains in deficit at -\$159,249.89, while Road & Bridge has a balance of \$355,923.31. The Commission will continue closely monitoring both funds.

Luap McKeever and Cecil Henson later met with the Commission to present a county resident "straw poll" survey regarding competitive cycling races on the eastern side of the County. The Commission reviewed and approved the survey language for release and will review the results on August 24. The survey is intended only to gather resident feedback on the large competitive cycling race and does not apply to regular casual riders, whose daily rides are outside the County's authority to regulate.
