County Commissioners reviewed Minutes.

County Treasurer presented the larger CD for County Revenue \$569,826.99 which will mature next on 02/18/2027.

County Commission reviewed the CD rates for a 6 month renewal at 3.90% or a 12 month 4.05% rate.

Eastern Commissioner Cope moved to renew the CD for 12months at 4.05%. Western Commissioner Lett second the motion. All Commissioners voted in favor. Motion carried.

County Commission attended the monthly Chamber Lunch & Learn. Commissioner Hall took time to make a heartfelt statement that the purpose for the survey poll did not whatsoever intend to bring so much negativity but rather information to assist them with how the community is engaging directly related to the cycling race event not the individual cyclers. They do not have control over daily casual riders.

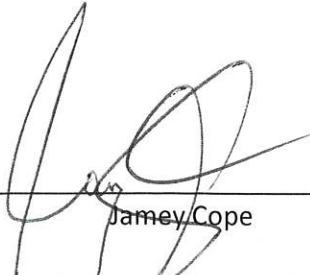

They are working the problem and attempting to find what is best for the community as a whole. One decision can create a huge impact and they represent the entire county and understand the concerns of those directly impacted.

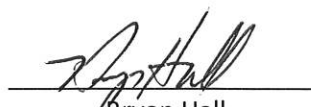

No further business was conducted.
