

08-19-2026 Minutes

McDonald County Commission—Minutes

August 19th, 2026

Present:

Bryan Hall - Presiding Commissioner

Jamey Cope - Eastern Commissioner

Rick Lett - Western Commissioner

Jessica Cole - County Clerk

General Business

Commission signed and approved accounts payable in the amount \$ 86,770.58.

Mike Hall met with Commissioners to discuss updates within the Health Department.

This meeting with John Cahill and Jason Sivills with Great River Engineering is a follow up from the March 18, 2026 meeting. Presented today were the soft match credits available and a work authorization agreement for the following Proposed Projects: 2026 MoDOT Regional Bridge Program Application for Bridge # 3520001 & 2026 MoDOT Regional Bridge Program Application for Bridge # 3950003.

Bryan Hall moves to accept the proposal and moving forward with submitting the application and fee to plan for Bridge Replacement for Frye Rd & Rains Rd. Jamey Cope seconded the motion. All were in favor. Motion carried.

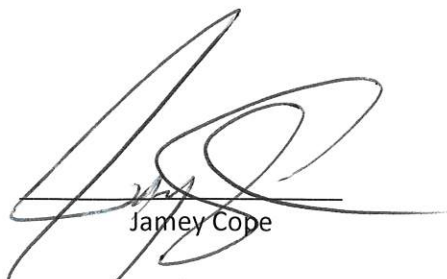

Fee for the Frye Bridge replacement will be \$250 and Rains Rd \$500. A total of \$750 to submit these BRO Bridge applications. With gaining this partnership, the Federal transportation Program known as BRO money pays 80% of the cost to fix or replace a broken local bridge. The County would pay the remaining 20%, with the use "soft match credits" to help offset their portion. This program is an incentive to encourage County governments to repair or replace bridges that are in deficient condition as inspected by MoDOT engineers. If general public have general questions regarding this program there is a FAQ available: https://www.modot.org/sites/default/files/documents/Frequently%20Asked%20Questions_10.pdf

or on the MoDot's website: <https://www.modot.org/system-bridge-replacement-and-rehabilitation-bro>

ADJOURN

Commission will reconvene on August 24th, 2026
