General Business

Commissioners reviewed financials of all the funds and discussed the improvements that have been made within the road and bridge department. Since 2021 at least five(5) brand new graders have been purchased in the plan to improve the maintenance of county roads, wages have increased from \$14/hour to now \$22/hour and still working to improve starting pay for CDL holding road crew members as it becomes more competitive to hire skilled laborers.

Commissioners continued to review ordinances regarding the maintaining of existing roads and roads that have been deemed closed or not available on their existing road list.

No further business.
